STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 12/13/2024 while exercising my duties as a law enforcement officer in the _____ District of WY

Pursuant to 16 USC 551: I Forest Service Law Enforcement Officer Nathanael Muniz #2547, while exercising my duties on December 13th, 2024, On the Caribou- Targhee National Forest, in the District of Wyoming, was on uniformed patrol in a marked law enforcement vehicle at approximately 1536 hours. When I investigated a request for assistance by Law enforcement and Lincoln County, Wy personal about a residential camp behind Melvins brewing in Alpine, Wy.

Upon arriving to the location, we were able to confirm the camp was present at the reported location from law enforcement personal. I, USFS LEO Norton and a Bonneville County deputy arrived and was able to see the camp was occupied by household items and a large camper trailer.

One male subject who was present at the camp spoke to LEO Norton. He verbally confirmed he was living on the National Forest, and had been present for a month which is in violation of the 14 days stay limit. I spoke to a female subject he was also present at the camp and would be identified via word of mouth as Theresa MIRANDA, of Alpine Wy. MIRANADA did not have a current home address and gave me a PO BOX in Alpine Wy where she and the male subject could receive mail. Both LEO Norton and I identified ourselves as Forest Service Law Enforcement.

The camper MIRANDA and the male subject were occupying in was not operable at the time of this contact and was given until 12/20/2024 to remove all objects from the National Forest.

MIRANDA was issued a citation based off my personal observation for violating 36 CFR 261.58A- Camping too long.

The foregoing statement is based upon:
